

Flight Paths

Objective: I can use a scale to convert one unit of measurement to another.

Manchester Airport flies to many destinations throughout the world. Pick three cities that you'd like to visit and using a ruler, draw a straight line from Manchester Airport to each one. Number these 1-3.

Look at the map on Worksheet 1b and answer the questions below about flight paths

1. Using the scale above and a ruler, calculate the distance travelled from Manchester Airport to your selected three cities.

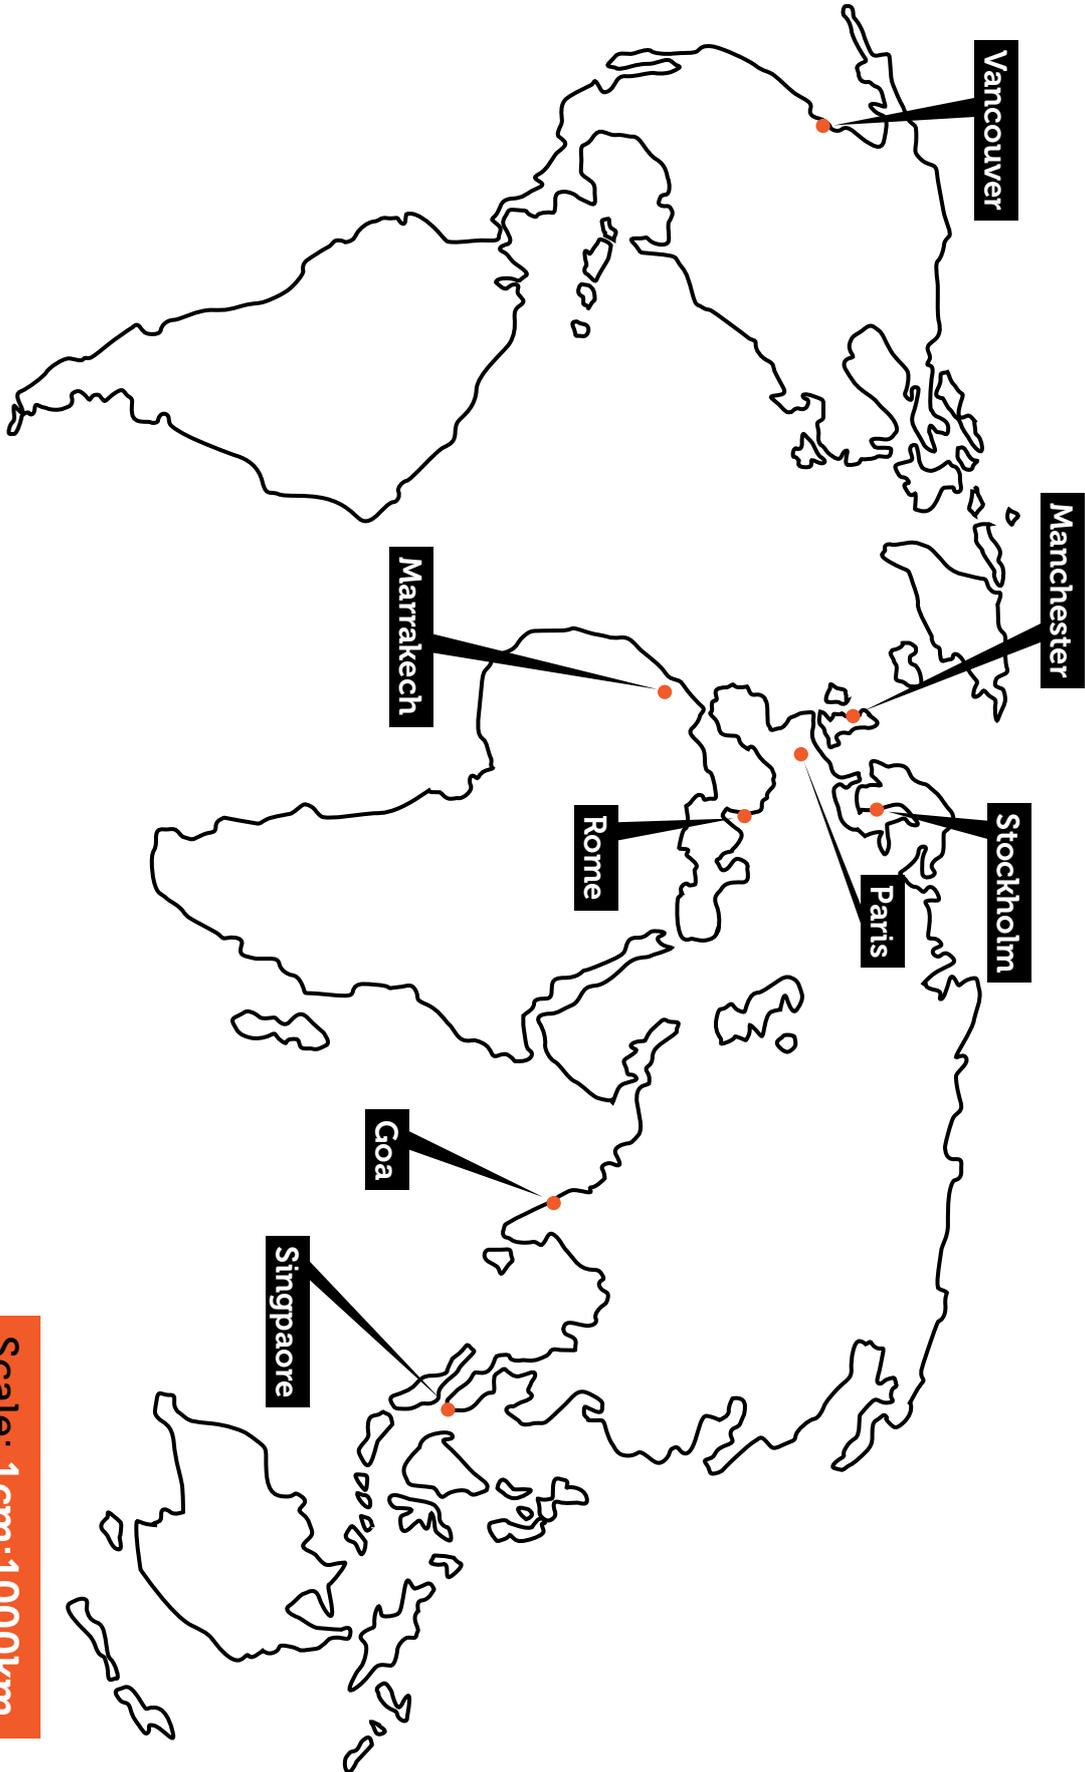

Flight Path 1

Flight Path 2

Flight Path 3

2. Pick another destination you'd like to fly to from Manchester Airport. Using the scale, calculate the total distance you'd travel and see if your partner can guess your chosen destination.

.....

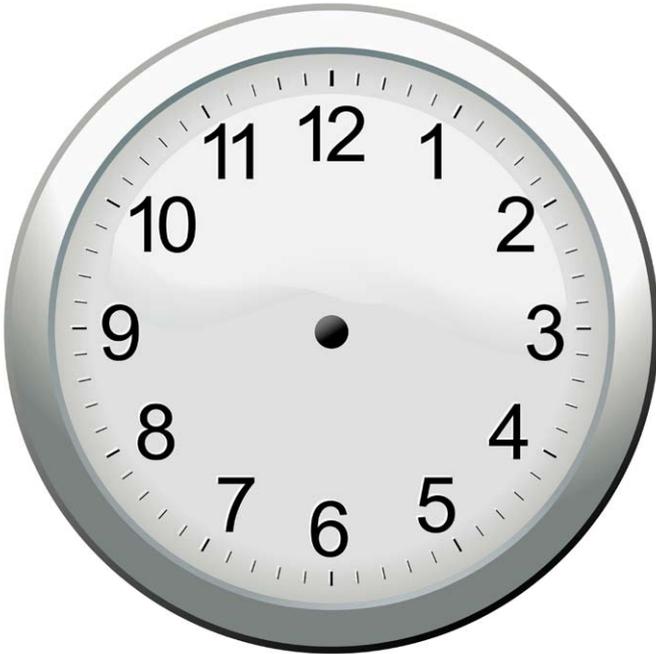

Scale: 1cm:1000km

Journey Countdown!

Objective: I can read the time from an analogue and digital clock to plan a journey.

What is the time now? (round to nearest quarter of an hour)

Answer the following questions using the current time above. If it helps, draw out a timeline to help you.

1. We are flying to Barbados today. The time difference is 4 hours behind the UK. What time is it there now?
2. Our flight to Bournemouth is at 17:30.
How many hours do we have to wait?
3. Jack has invited us on a bike ride. We will be able to meet him in 40 minutes time and it will take 2.5 hours to complete the trail. What time will we finish?
4. Grandma is expecting us for tea at 5pm. It takes 40 minutes to drive there from our house. How many hours and minutes do we have left before we need to leave?

My Favourite Journey

Objective: I can write a descriptive diary entry about my favourite journey.

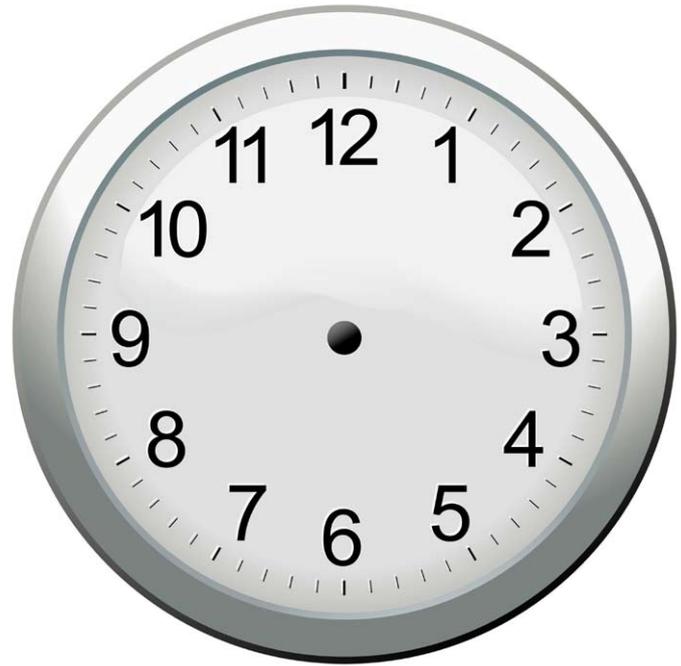

Write a diary entry describing your favourite journey.

A large, blank, lined notebook page with a spiral binding at the bottom. The page is white with light blue horizontal lines. The spiral binding is black and runs across the middle of the page. The page is intended for writing a diary entry.

Time to Fly!

Objective: I can read analogue and digital time to discover times of departure.

What is the time now? Complete the clock and fill in the missing times on the departure board by answering the questions below.

Departures

Time of flight	Destination	Status
13:00	PARIS	BOARDING
__ : __	BARCELONA	GATE NUMBER 12
15:10	BRUSSELS	CHECK IN DESKS 1-5
__ : __	COPENHAGEN	WAITING FOR DETAILS
17:00	ABU DHABI	WAITING FOR DETAILS

- If the flight to Barcelona departs in two and a half hours, what time is the flight?
- How many hours after the Paris flight does the flight for Brussels leave?
- The flight to Copenhagen is 3.47 hours from now. What time is the flight?
- We are catching the Abu Dhabi flight today. If we need to be there three hours before the flight and it takes 40 minutes to get to the airport, what time do we need to leave?

Airside Commentary

Objective: I can write a running commentary to describe an airside scene.
